DESCRIPTION

This 110 Defender is finished in Firenze red and was supplied from the factory with a grey finished roof. Further factory upgrades are the part leather "Premium" seats. The vehicle also features the usual XS specification including air conditioning, heated front seats and a heated windscreen. Inspired by the "County" editions of the 1980's this Defender has been further upgraded by Land Rover Classic and features 16" heavy duty wheels, and unique "County" body stripes. Covering less than nineteen thousand miles from new, and having had just two owners, this Defender has been prepared for sale by the workshops here at Land Rover Classic and will be supplied with 12 months warranty.
