DESCRIPTION

Described as 'The most beautiful car ever made' by Enzo Ferrari, the Jaguar E-type epitomised the glamour and excitement of the swinging 60s. 60 years on, the Jaguar E-type Reborn programme saw Series 1 E-types restored to their original specification for future generations of enthusiasts and collectors to buy directly from Jaguar Classic. Every E-type Reborn, which starts with a base vehicle sourced by Jaguar's E-type experts, is completely restored according to the company's original 1960s factory specification. Unique access to build records and original drawings held by the Jaguar Heritage Trust, and the team's decades of experience in restoration up to concours-winning standard, ensure absolute authenticity. Jaguar Classic Parts are used throughout, to maximise the vehicle's quality, longevity and collectability. The resources and information available to Jaguar Classic's expert technicians are unrivalled, which results in the most authentic E-type restorations possible. This particular car is a 1962 Fixed Head Coupe with a 3.8 engine. Finished in Cream with Maroon leather interior, the car was specified with Upgraded Suspension Kit, Upgraded Brake Kit, Jaguar Classic Infotainment System, Air Conditioning, Power Steering, Wider Wheels and a Stainless Exhaust System. Completed by Jaguar Classic in late 2020 it has covered just over three thousand miles with its current owner. Now available to buy this car is in pristine condition, drives beautifully and will be supplied with 12 months warranty.
